One day at a time

Peres Projects Mitte, Berlin

June 30 – July 28, 2012

Peres Projects is proud to present *One day at a time*, a group exhibition bringing together works by 7 North American artists who create "abstract" art employing various visual approaches ranging from repetition, reproduction, patterns, folding, cutting, knotting and reconfiguring.

Hailing from cities including Los Angeles, New York, Baltimore, New Brunswick, and New Hampshire, these artists choice of medium, paper, paint, burlap, canvas, wax, chalk, cloth, and dye, often recall important periods in the development of historical abstract art yet each makes sculptures, paintings and collages which speak of their unique moment.

One day at a time is the first time that works by these North American artists will be shown together in Berlin.
