Arne Malmedal - Works on paper // Viewing Room Presentation March 2020

ARNE MALMEDAL

Works on paper

Complementing our current exhibition of Arne Malmedal paintings from the late 1990's and early 2000's, in this Viewing Room we present a selection from two different series of his works on paper. Similar to his larger scale paintings, marked by exploration and experiments in relation to space/plane, picture/frame, and color/brushstroke, Malmedal also incorporated these aspects when creating his smaller scale works on paper.

The first four works in the viewing room are from 1998 and are monochrome paintings executed with gouache (opaque watercolor) in bold brushstrokes. The second six works are from an untitled thematic series of ink wash and gouache on paper from 2011, characterized by the yellow/grey/green palette and the intense light emitting from the enigmatic abstracted motif.

The price range for these works is between NOK 40 000 - 50 000,-. The prices listed are in NOK with an indicative value in EURO, and are subject to the 5% Norwegian Art Tax.

The Viewing Room is a curated space to view artworks online which have been chosen by the gallery in collaboration with an artist or curator. The selection will change to coincide with current exhibitions and events for our artists. The works presented may be new or old, by a single artist or a constellation of works from several artists. All works will be for sale, and can be viewed in detail, and where applicable, from multiple angles. Our Viewing Rooms will be featured for a limited time, typically two to three weeks, and we encourage you to download the PDF at the end of the presentation which will include all relevant information. By pressing the inquiry button next to one of the works, you can email your details and any questions directly to our gallery.
