

DIETER FUCHS *HEADLINES (usw.)*

INNSBRUCK 12. September 2020 – 07. November 2020

Dieter Fuchs plays an important role in the city of Innsbruck as an artistic personality. In his show *HEADLINES (usw.)* a selection of works on all kinds of paper will be on display, documenting the development of Dieter Fuchs' work over the last 45 years. The drawings were created daily, for hours in a disciplinary ritual, taking place in coffee houses and other public places. On the occasion of the exhibition an homonymous book will be published, accompanied by a 20-page text written by Herbert Fuchs, who is Dieter's twin brother and has critically observed his work for decades.

Dieter Fuchs (b. in Innsbruck in 1952) has had numerous solo exhibitions since 1967 until today. From the mid-1980s to the mid-1990s Dieter Fuchs was an essential member of the Cologne art scene, as evidenced by his exhibitions in Cologne, Maastricht, Asperen, Aachen, Hamburg, Wuppertal and Mannheim. Collaborations with prominent German contemporaries form an essential part of his work. Long-standing friendships with Martin Kippenberger, Walter Dahn and others were the basis for joint exhibitions.
