Ellie MacGarry: *Your Hand Is A Warm Stone*

April 10–May 8, 2021

Steve Turner is pleased to present *Your Hand Is A Warm Stone*, a solo online exhibition by London-based Ellie MacGarry. It will consist of ten new paintings which depict cropped details of the body; garments, pockets and openings. They consider physical intimacy with one's own body, with the hand recurring as a comforting, protective or expressive tool.

Ellie MacGarry (born 1991, Cambridge) earned an MA at the Slade School of Fine Art, London (2018) after earning a BFA at the University of Leeds (2014). She had a solo exhibition at Daniel Benjamin Gallery, London (2019) and has had works in numerous group exhibitions in Europe and the United Kingdom since 2013. *Your Hand Is A Warm Stone* is MacGarry's first exhibition with Steve Turner and her first in the United States.
