MARKUS BACHER

“Bertha und andere Bilder”

"ISSA", 2010-11
oil on canvas, 300 x 507 cm

November 22 – Dezember 22, 2012

We are pleased to announce the first solo exhibition with new works by **Markus Bacher** at **Contemporary Fine Arts**. The artist was born in Kitzbühel/Tyrol in 1983 and graduated from the University of Applied Arts Vienna in 2009. He lives and works in Vienna and Cologne.

“Surfaces, lines and colours” – that’s how Markus Bacher describes his painting. He develops his works using a dualistic principle. The mainly monochrome foundation he builds up out of different layers, thus giving it an intensive vitality. On this ground he sets more paint, often pastose and relief-like, multi-coloured and detailed.

Markus Bacher’s works oscillate between figurative and abstraction. Figurative or scenic associations are possible, but are not challenged.
