## PRESS RELEASE

Jenni Hiltunen: *Alone*

January 27 – February 26, 2022

Steve Turner is pleased to present *Alone*, a solo online exhibition by Helsinki-based Jenni Hiltunen that consists of recent paintings and ceramic sculptures which depict a solitary woman who enigmatically gazes out at the viewer. Hiltunen uses color and form to explore psychological nuances that are deeper than the subject's superficial attributes. While she acknowledges that she is the subject in most works, she hopes that viewers will also see themselves.

Jenni Hiltunen (born 1981, Hollola, Finland) earned an MA at the Academy of Fine Arts, Helsinki (2007) after earning a BA at the Turku Arts Academy (2004). She has had solo exhibitions since 2005, most recently at Galerie Forsblom, Helsinki; Mimmo Scognamiglio Artecontemporanea, Milan and Kunsthalle Växjö, Sweden. Her work has also been included in museum group exhibitions at Kunsthalle, Helsinki and Kiasma Museum of Contemporary Art, Helsinki. *Alone* is Hiltunen's first exhibition with Steve Turner and her first in the United States.
