

STEVE TURNER

Joaquín Boz: *Todo el Tiempo*
December 10–January 7, 2023

Steve Turner is pleased to present *Todo el Tiempo*, a solo exhibition of new abstract paintings by Buenos Aires-based Joaquín Boz that rely on his physical energy, careful scrutiny and patient refinement. Each work was created over several months in his Los Angeles studio, a daily process that encompassed numerous processes and tools causing the surfaces to appear rubbed, scratched, layered, and built up, minimized, thinned and reworked. In the past, he worked only with his gloved hands and rags and favored an earthy palette of browns, greens and yellows. The new works include every color imaginable and result from a new array of hand-held tools. They vibrate with color and reverberate with marks and gestures to represent time—all time.

Joaquín Boz (born 1987) studied at Universidad Torcuato Di Tella, Buenos Aires under the direction of Jorge Macchi. He has had solo exhibitions with Móvil, Buenos Aires (2014); Steve Turner, Los Angeles (2015, 2017, 2018 and 2020); Barro, Buenos Aires (2018 and 2022) as well as at Zona Maco, Mexico City (2016) and Art Brussels (2018). He was awarded the First Prize Salón Nacional de Rosario, Buenos Aires (2015) and his work was included in My Buenos Aires, curated by Albertine de Galbert, at La Maison Rouge, Paris (2015).
