**April 4 - 30, 2023**

Founded on April 10, 1983, Galerie EIGEN + ART celebrates its 40th anniversary this year. To mark the occasion, we are opening our archive and show a selection of films exclusively in the basement of the gallery in Leipzig - the city where it all began in 1983 - and parallel on our digital platform [EIGEN + ART Plus](#).

Until April 30, 2023 you can watch documentaries and interviews for example with Gerd Harry Lybke, Neo Rauch, Uwe Kowksi, Carsten Nicolai and other companions of the gallery. In addition, as a true document of time, the film [Beiwerk](#) by Jörg Herold, made in Leipzig in 1985.

So if you want to take a look behind the scenes of the past, present and future and gain an insight into the artists studios and the thoughts about their artworks and the history of the gallery, then visit the exhibition in Leipzig or the digital platform EIGEN + ART Plus (accessible through the [gallery's website](#)).
