

JULIA BORNEFELD
sustained gestures

Innsbruck

Jul 01 – Aug 31 2023
Opening Jun 30, 18:00

We are pleased to invite you to Julia Bornefeld's tenth solo exhibition at the gallery. In addition to the titular film work (in cooperation with Luca Formentini and Michael Beyer), new figurative sculptures as well as ink works on canvas and paper will be shown. Sustained gestures plays with the contradiction of unstable equilibrium, triggered by a slight change in the position of the body left to itself. In the exhibition, the moment is present in the works in different ways.

With her objects, always in the balance of large volume with simultaneous weightlessness, Bornefeld repeatedly implements installations in public space, including: 2023 *setire*, Ferdinandeum Innsbruck exterior façade; 2018, *fontana rossa*, Bolzano, IT; 2010, *body knots*, Franzensfeste, IT; 2007, *windhosen*, Husum, GER.

International exhibition participations and solo exhibitions since the 1990s, including 2023 Wellcome Collection London, 2020 Museion Bozen, 2017 Kunstverein Augsburg (solo), 2014 ZKM Karlsruhe (solo), 2011 Tiroler Landesmuseum Ferdinandeum (solo).
