PRESS RELEASE

Wade Guyton

September 15 to October 28, 2023

Opening: Thursday, September 14, 6:00 to 8:00 PM

Matthew Marks is pleased to announce an exhibition of recent paintings by **Wade Guyton** in his gallery at 522 West 22nd Street.

In 2021 Guyton moved into another floor of his studio building that the previous tenant, a clothing company, had filled with metal hanging racks. Rather than remove the racks, he repurposed them to hang his paintings for storage. In the current exhibition, Guyton has duplicated this set of racks and installed paintings in the same manner.

Some of the images in Guyton's recent paintings include photographs the artist has taken of his studio, wet ink from paintings in process, screenshots of the *New York Times* homepage, bitmap files, a sixteen-year-old transparency of one of his X paintings, a Manet still life, and a view from his studio window.

Wade Guyton (b. 1972) has had one-person exhibitions at institutions across Europe and the United States, including the Museum Ludwig in Cologne (2019), the Serpentine Gallery in London (2017), Kunsthalle Zürich (2013), and the Whitney Museum of American Art in New York (2012).

Wade Guyton is on view at 522 West 22nd Street from September 15 to October 28, 2023, Tuesday through Saturday, from 10:00 AM to 6:00 PM.
