## Press Release

Léon Wuidar

17 January – 16 March 2024

Press Preview: Tuesday 16 January, 5–6pm

White Cube Hong Kong

White Cube is pleased to present a solo exhibition of paintings and works on paper by Léon Wuidar, marking the artist's inaugural show in Asia.

Chronicling Wuidar's remarkable six-decade career, the selection of paintings spans from the early 1960s to the present day, uniting the artist's exuberant simplicities of form with his distinctive, exacting technical precision.

Further illustrating the artist's enduring experimentations with colour, line and composition, accompanying the paintings is a series of previously unseen works on paper, created by the artist in the 1990s.
