

Exhibition **Frank Ahlgrimm**
WHEN IS YOUR POINT OF NO RETURN
06. June – 05. September, 2025

Opening Friday, 06. June, 2025, 6 – 9 p.m.

Opening Hours Tuesday – Friday: 1 – 6 p.m., and by appointment

Are YOU ready?

When is your point of no return?
Did you discover it, experience it, or miss it, and are you reconstructing
and trying to understand when and where you took a wrong turn?!

Then immerse yourself in the exhibition, which offers a space for reflection on the *Transit*
between the known and the unknown. The transition is just a glance away.
And don't worry, our *Cuts* are so precise that you'll hardly notice when the transition happens.

Are YOU ready?

Ready when you are, Sergeant Henry!!
Is Hannibal Lecter's answer in the film "The Silence of the Lambs", before Hannibal the
Cannibal opens Pandora's Box. With notoriously gruesome consequences.
Imagine the **new** Pandora's Box is now an oxygen cylinder that can be closed again, that sparks
with energy—almost as if it were about to explode with excitement!
The label bears the sparkling slogan "Eternal are the fiery slogans," as if the box itself were a
passionate speaker who never tires of proclaiming his fiery words. Perhaps it even has small
flames dancing merrily around the cap as it bursts with energy. As a warning, the oxygen
cylinder's label bears the image of a dragon. Of course, despite all warnings, as has been
inevitable since the Fall, you'll open it, ignore what follows, or accept it. It's as if the can were
saying: "Here comes the ultimate charge of fire, enlightenment, and passion—breathe deeply
and be prepared for an eternal flame of inspiration!"

Are YOU ready?
