Giorgio Griffa

*Consistently Through Variation*

November 5, 2025 – January 10, 2026

*The hand, the eye, the brain, the heart, the brush lay color onto the canvas.*

*They fix the identity of that mark.*

*The atoms of color and fabric embrace in a new life.*

*Endless movement, photons of light enter that mark and emerge colored.*

*The spaces of silence between one mark and another shape becoming, just as in music.*

*Giorgio Griffa, 2025*

Casey Kaplan is pleased to present Giorgio Griffa: *Consistently Through Variation*, the artist's seventh solo exhibition at the gallery. Organized with over 20 works from the last five decades, this exhibition surveys the artist's enduring and evolving meditation on the process of painting, where, drawing from a deep well of continuity, constant possibilities unfold.
