### **About the artist**

Isaac Brest received his B.F.A. in Film and TV from NYU in 2009. He has worked on a number of projects and group exhibitions as part of the Still House Group and as a solo artist. His work was included in *The Shadow Knows* (2013), at C-L-E-A-R-I-N-G, Brussels and *Jew York* (2013) at Untitled, New York and the Still House exhibition *Straight II DVD* programmed alongside the NADA art fair in Miami in December 2013. Brest has also been working on + 1, a Still House Group project commissioned by Art in General featuring an artist-run storefront space in New York that presents rotating exhibitions.

### **About the Still House Group**

Created in 2007 by artists Isaac Brest and Alex Perweiler, the Still House Group aims to provide an alternative work structure for emerging artists that prioritizes the development and exchange of ideas over the widely dominant gallery-driven art system. The permanent roster of artists in the group work in the same studio space and are encouraged to present and discuss their work at various stages of development with the other members of the group. Together, the group organises exhibitions, develops projects and continues to examine alternative means of art production and display.
