**FOR IMMEDIATE RELEASE**

## **BLACKOUT**

**06.11.2014 > 20.12.2014**

### **Blackout**

blackout (*plural blackouts*)

1. a large-scale power failure, and resulting loss of electricity to consumers
2. the mandatory blocking of all light emanating from buildings as imposed during World War II
3. a temporary loss of memory caused by the intake of any substance or medication in which long term memory creation is impaired, therefore causing a complete inability to recall the past
