

GREENE NAFTALI

FOR IMMEDIATE RELEASE

Mayo Thompson

8th Floor

October 8 – November 7, 2015

So, Greene Naftali.
Yes. New York City.
Yes. The Beauty and the Beast.
Yes. Safe trip.
Thanks. You Too.

Greene Naftali is pleased to present the first solo exhibition of visual works by Mayo Thompson, cofounder of the seminal psychedelic rock collaborative Red Krayola. Since establishing Red Krayola in 1966, Thompson has eluded genre and authorship, populating his collective with a shifting cast of writers, critics, musicians and artists. This exhibition, which comprises sculpture and works on paper dating from the 1970s, will debut the visual output of this pioneering musician, and will further demonstrate a career that has traversed and integrated disciplines.

Red Krayola was included in the 2012 Whitney Biennial.
