Transhistorical Flamingo
13.01. – 18.02.2017

Transhistorical Flamingo (The art of jumping timelines)

Being that is able to jump on different timelines and to choose the reality/world which it wants to live in. It is believed to be able to rebirth - sometimes from flames.

(This painting was inspired by a dream of my dear friend Katja B. and was painted during the election night of the 45th President of the United States).

Feeler

Being that is capable to really, by means of really really, feel.

Huuter

Entity, bearing enormous breaks, prongs or other limbs. Often responsible for taking watch at a threshold. May also be a guide and/or a warner.

Zadkaeler

Character, stigmatized with the features of a certain angel.

Visioneer (Jakob)

Being that has the ability to receive visions and follow them. This one's name is Jakob.

Reeler

Entity that is apt to create its own reality and/or taking full responsibility for the reality it is living in.

Flower

Being that can blossom with the flow.

Doorer

A *Doorer* has the power to step through a threshold - not fearing what to find there or what may become of him.

Pather

Entity, which has the skill to find and walk its own original path.

Picker

Character that is able to pick. Also a sharer of fruit. Can also be someone to receive or conceive something.

Windower

Combination of *Huuter* and *Doorer*.
