

Paige Jiyoung Moon: Days Of Our Lives

January 5 – February 16, 2019

Opening reception: Saturday January 5, 6 – 8 PM

Steve Turner is pleased to present *Days Of Our Lives*, a solo exhibition by Los Angeles-based Paige Jiyoung Moon that consists of intricately rendered small-scale paintings depicting scenes from the artist's life. All are created from memory, whether they are scenes of daily life, excursions to the mountains or portraits of family and friends. They do not always follow rules of perspective or scale, but that does not diminish them. Their strength is their intimacy, whether in presenting a new life in California, or a life remembered from Moon's years in Korea.

Born in Seoul, Moon moved to the United States to study at Art Center, Pasadena from which she earned a BFA in 2012. She has had solo exhibitions at Steven Zevitas Gallery, Boston and La Luz de Jesus, Los Angeles. This is her first solo exhibition at Steve Turner, Los Angeles.
