

*The Power of Ten*

May 11 – June 8, 2019

Opening reception May 11, 6-8 p.m.

Steve Turner is pleased to present *Power of Ten*, a group exhibition featuring works that do not exceed ten inches in any dimension. The thirteen international artists include Mariel Capanna (New Haven), Dominic Dispirito (London), Nick Doyle (New York), Hannah Epstein (Toronto and Los Angeles), Stephen Evans (Birmingham, Alabama), Kevin McNamee-Tweed (Iowa City), Claire Milbrath (Montreal), Paige Jiyoung Moon (Los Angeles), Jennifer Nocon (Los Angeles), Jesse Pollock (London), Pablo Rasgado (Mexico City), Joshua Saunders (Los Angeles), and Maccabee Shelley (Los Angeles). The power of the works results from the fact that these artists routinely make small works that have high visual impact. Had they not been invited to participate, they would have made these works anyway.
